Re: Riverside Cemetery grave purchase and interment Rates and Rules

BACKGROUND:

The Department of Municipal Services for the City of Plymouth performs a yearly review of current grave purchase prices, interment costs and rules. Several publicly owned and operated cemeteries within the State of Michigan were chosen for comparison. This information helps the department to assure that our current rates and rules are in line with other cemeteries and possibly propose any necessary changes.

RECOMMENDATION:

The DMS Administration recommends that the Cemetery Board authorize the proposed Riverside Cemetery 2019 rate structure and rules. This rate structure does not include any increases or rules changes from the previous year. We have included a spreadsheet that shows the comparison of rates in several publicly owned and operated cemeteries in Michigan.

We have attached a proposed Resolution for the Cemetery Board to consider regarding this matter. If the proposal is approved by the Cemetery Board, it will then be forwarded to City Commission for final approval. Should you have any questions in advance of the meeting please feel free to contact us.
Riverside Cemetery, 2019 Cemetery Rate Structure and Rules

NOW THEREFORE BE IT RESOLVED THAT The Cemetery Board does hereby recommend to the City Commission, adoption of the proposed City of Plymouth Riverside Cemetery rate structure 2019 (enclosed). Upon review of the rates, they appear to be in line with the rates at other publicly owned and operated cemeteries.
